

Canary Sub-Processors

Last Updated: September 7th, 2023

Canary uses the third party companies below (each, a “**sub-processor**”) to process personal data (i) on behalf of Canary clients; (ii) in accordance with customer instructions as communicated by Canary; and (iii) in strict accordance with the terms of a written contract between Canary and the sub-processor.

Canary imposes obligations on its sub-processors to implement appropriate technical and organizational measures ensuring that the sub-processing of personal data is protected to the standards required by applicable data protection laws. Further information relating to sub-processor security measures can be found via the external links below.

Canary maintains an up-to-date list of the names and locations of all sub-processors below.

Duration of processing: For each sub-processor below, processing of personal data will be for the duration that the customer uses and continues to use the applicable service(s), and for the retention periods as set out in client’s agreement with Canary.

Sub-Processor	Subject matter	Nature and purpose of processing	Location(s) of processing	External links for additional information relating to security
